

5th Grade - Mrs. Lenamon

Welcome to Math!

I'm really excited to be your child's Math teacher. In order for your child to be successful in Math, they must know their basic math facts. Please help them drill and practice on these facts (+, -, \times) at home. This year we will also be preparing for the new state assessment, the STAAR test (to be given on March 26, 2012).

Throughout the year, we will cover six main objectives:

- Obj. 1 Numbers, Operations, and Quantitative Reasoning (+, -, \times , \div , whole numbers, place value, decimals, fractions, estimating)
- Obj. 2 Patterns, Relationships, and Algebraic Thinking (tables, charts, prime & composite #s, basic algebra expressions)
- Obj. 3 Geometry and Spatial Reasoning (parallel, perpendicular, congruent figures, translations, rotations, reflections, ordered pairs, and using grids)
- Obj. 4 Measurement (perimeter, area, volume, weight, metric and customary)
- Obj. 5 Probability & Statistics (using fractions, mean, median, mode, graphing data)
- Obj. 6 Processes & Mathematical Tools (problem solving)

Homework: Students will usually have Math homework every night! It is imperative homework be **turned in on time!**

Grading: Daily 50% (homework, quizzes, class work, participation)
Major 50% (tests, folder and spiral checks)

Websites: If you need extra help at home, you can go to the following:
<http://tx.gr5math.com> (access code is BED3A4B39D)
<http://tx.msmath1.com> (for Pollei's class only)

You may also access my class homepage.

Go to: <http://hgi.mcgregor-isd.org/teachers/mlenamon/>

Just click on the Class Links to view Assignments, Schedules, Resources, and much more!

Absences: As you can tell, we will cover a lot in class each day. It is easy to get behind if your child is not present every day. If your child must be absent, please make every effort to come to school and pick up their missed work.

Supplies: One folder with pockets and brads
One spiral notebook, 70+ pages
Notebook paper
